Descargar Activacion de windows 7 professional. 26.01.2011 15:15:13. Wendy Hall (musician) Wendy Lou Hall (April 8, 1954 – January 24, 2009) was an American singer and songwriter who began her career in music as a solo artist and went on to become a prominent session singer. Her debut album, Selected, was released in 1975 on the K-Tel label, and became a Top 20 success. She continued to be successful in the years that followed, becoming the first female artist signed to Arista Records and releasing albums such as I'm for Real in 1979 and Absolutely Wendy in 1981. Biography Early life Hall was born Wendy Lou Fields on April 8, 1954, in the Jamaica Hospital in New York City, to Mayme G. (née Bryant) and Kenneth F. Fields. She grew up in Far Rockaway, Queens. She described herself as an "avid" listener of Motown and British Invasion music, and one of her earliest musical influences was Stevie Wonder. Her parents gave her a guitar for her twelfth birthday. 1970s: Solo career Hall released her debut solo album, Selected, in 1975. Though its lead single, "As Tears Go By", was unsuccessful, the album itself reached a Top 20 peak on the Billboard Albums chart. It was followed by her second studio album, Whispers, which was released in 1976. Hall and keyboardist Joe Walsh recorded the title track for Hall's solo album in 1976, but it was left off the album and only appeared on the 12" version of the single, which also featured a non-album single, "You and the Night and the Music". Hall had difficulty making a solo career a success, as Arista Records — her label — did not want to release her, as the label felt that there was no market for a female artist at the time. With this in mind, Hall was signed by A&R man Bob Birchard to an exclusive recording contract. Her first album with Arista, I'm for Real, was released in 1979, preceded by the lead single, "Once More (My Love)", which became Hall's biggest solo hit, peaking at #5 on the Billboard Hot 100. The album was a commercial success as well, peaking at #11 on the Billboard Albums chart, and though it failed to match the success of I'm for Real, it was one of the 3e33713323
