Austin is a very friendly city, which makes it easy to get around. The major traffic arteries are the Interstate 10 and Highway 71. The airport is also downtown, making it very easy to get to wherever you need to go. For those who need a bit more, then the public transportation system, or the "Austin Area Transit" (AAT), as it is known, is great. They run buses into the surrounding area. Buses are frequent and run on time. They also carry a large amount of luggage! If you are unsure of when the next bus will be, head on over to the AAT website and read the latest schedule. If you don't have a car, then Austin has the "Austin Bike Share" system. This allows you to pay a monthly or yearly fee, which gets you a bike to use. You can use it to go from here to there, or just to have some exercise. A convenient location is in North Austin. The bike stations are located around the city, so you can cycle anywhere. Austin is very pedestrian friendly. At every turn, one can find a coffee shop, restaurant or bar where you can sit and enjoy a leisurely breakfast, lunch or dinner. It is easy to get around on foot! Parking can be extremely difficult at times, but be prepared to pay. Many of the large employers provide parking facilities on campus and in downtown Austin.Mirage Garage The Mirage Garage is a historic garage in Mesa, Arizona.
