According to the Jewish Encyclopedia article on "Daughter of Israel" (first column), a "daughter of Israel" is a non-Jewish woman who, according to some of the rabbis, has the status of daughter to the Jewish nation. (The article notes that this is a "lapsarian view" and "has been rejected by almost all the later rabbis.") Since a Jewish man's "daughter" is (by definition) also his wife, does the same hold for the Jewish nation's wife being her nation's "daughter"? Is there any biblical, rabbinical, or later text that suggests that a woman married to a Jewish man might be the daughter of the Jewish nation?

Ways to Clean Up a Slow Computer The majority of the time, the cause of a slow computer is a program that is causing problems. Even if it's a virus, it can cause problems with your computer and slow it down. There are many things you can do to clean up a slow computer. 1. Manage Add-ons A slow computer could be caused by unneeded add-ons that are slowing it down. While you may be using a program that has a lot of add-ons, you may not be aware of what they are. If you use Firefox, go to "tools" and click "Add-ons." Look for "webextensions" and "toolbar". These are both add-ons you can disable. 2. Uninstall Unnecessary Programs Look through your computer for programs that you don't use. If you aren't sure if a program is necessary, you can use a program called CCleaner to find and remove unnecessary programs. It is a popular program and will allow you to do a few things. You can scan your computer for programs that you don't use, and remove them. 3. Optimize Hard Drive Look at how 2edc1e01e8
